

Expanded Learning Opportunities Program Plan Guide

EXPANDED LEARNING OPPORTUNITIES PROGRAM PLAN GUIDE

Prepared by: Expanded Learning Division

California Department of Education 1430 N Street, Suite 3400
Sacramento, CA 95814-5901
916-319-0923

This Program Plan Template Guide is required by California Education Code (EC) Section 46120(b)(2)

Note: This cover page is an example, programs are free to use their own logos and the name of their program.

Name of Local Educational Agency and Expanded Learning Opportunities Program Site(s)

Name of Local Educational Agency or Equivalent:	Accelerated Achievement Academy
Contact Name:	Selah Sawyer
Contact Email:	ssawyer@aaacademy.org
Contact Phone:	707-463-7080

Instructions: Please list the school sites that your LEA selected to operate the Expanded Learning Opportunities Program (ELO-P). Add additional rows as needed.

1. Accelerated Achievement Academy

Purpose

This template will aid LEAs in the development of a program plan as required by EC Section 46120(b)(2). In this program plan, LEAs will describe program activities that support the whole child, and students' Social and Emotional Learning (SEL) and development.

Definitions

"Expanded learning" means before school, after school, summer, or intersession learning programs that focus on developing the academic, social, emotional, and physical needs and interests of pupils through hands-on, engaging learning experiences. It is the intent of the Legislature that expanded learning programs are pupil-centered, results driven, include community partners, and complement, but do not replicate, learning activities in the regular school day and school year. (EC Section 8482.1[a])

"Expanded learning opportunities" has the same meaning as "expanded learning" as defined in EC Section 8482.1. "Expanded learning opportunities" does not mean an extension of instructional time, but rather, opportunities to engage pupils in enrichment, play, nutrition, and other developmentally appropriate activities. (EC Section 46120[e][1])

Instructions

This Program Plan needs to be approved by the LEA's Governing Board in a public meeting and posted on the LEA's website.

The program plan template guide is considered a living document that is periodically reviewed and adjusted to reflect the needs of the community, updates in the law, and to provide continuous improvement in the development of an effective ELO-P.

The LEA is responsible for creating, reviewing, and updating the program plan every three years in accordance with EC Section 8482.3(g)(1). LEAs are encouraged to work collaboratively with partners and staff to develop and review the program plan. The LEA is responsible for the plan and the oversight of any community partners or subcontractors. The LEA should include any partners in the development and review of the plan. It is recommended that the plan be reviewed annually.

The Expanded Learning Division adopted the Quality Standards for Expanded Learning in California (Quality Standards) and introduced requirements for Continuous Quality Improvement (CQI) to help programs engage in reflection and be intentional about program management practices and activities delivered to students. To create the program plan, provide a narrative description in response to the prompts listed under each Quality Standard below. The LEA may customize and include additional prompts, such as describing SEL activities, or refining the plan. In addition to the narrative response, it

may be useful to include tables, charts, or other visual representations that contribute to the understanding of the ELO-P. LEAs are encouraged to download and reference the Quality Standards in order to provide ongoing improvements to the program. The Quality Standards can be found on the California Department of Education's (CDE) Quality Standards and CQI web page, located at <https://www.cde.ca.gov/ls/ex/qualstandcqi.asp>.

1—Safe and Supportive Environment

Describe how the program will provide opportunities for students to experience a safe and supportive environment. Include if the program will be offered on the schoolsite or off campus. If not on site, describe where in the community it will be and how students will be supported to get there.

The program will be offered on the school site during the school year and on the Redwood Academy of Ukiah campus, Accelerated's sister school, during the summer. Students are familiar with both campuses and school staff facilitating the program. All staff participates in annual school safety trainings.

2—Active and Engaged Learning

Describe how the program will provide opportunities for students to experience active and engaged learning that either supports or supplements, but does not duplicate, the instructional day.

Students will have the opportunity to receive additional help on classwork that was assigned during the school day to support student academic learning. Students will participate in activities and projects that are hands on at least once per week. The summer program will provide skill building in math and ELA in the morning with afternoon enrichment activities.

3—Skill Building

Describe how the program will provide opportunities for students to experience skill building.

Students will have the opportunity to receive additional help on classwork that was assigned during the school day to support student academic learning. During the summer, students will participate in direct instruction focused on developing math and ELA skills as well as use online skill building programs such as Moby Max and Accelerated Reader to improve critical language, reading and math skills.

4—Youth Voice and Leadership

Describe how the program will provide opportunities for students to engage in youth voice and leadership.

The students interests will help drive the enrichment opportunities presented. Through the various activities and projects, students will work together to accomplish the various tasks. The participation in the tasks will build the leadership skills necessary to complete the tasks.

5—Healthy Choices and Behaviors

Describe how the program will provide opportunities for students to engage in healthy choices and behaviors. Describe how students will be served nutritious meals and/or snacks during the ELO-P hours of programing.

Students are held to a high standard of respect and appropriate school behavior while in school. This will continue during the after school and summer programs. Office staff will be available to support staff and students as necessary to ensure a respectful environment is maintained. An afternoon snack will be provided to students in the after school program. In summer, the school will provide breakfast, lunch and afternoon snack to all program participants who want it. Students will also participate in regular physical activity in both the after school and summer school programs.

6—Diversity, Access, and Equity

Describe how the program is designed to address cultural and linguistic diversity and provide opportunities for all students to experience diversity, access, and equity. Describe how the ELO-P will provide access and opportunity for students with disabilities.

The program is open to all students in grades 4-6. As a small school there will be only one section. All students will be enrolled in the same section and receive all of the same activities and supports. All enrollment forms will be provided in English and Spanish.

7—Quality Staff

Describe how the program will provide opportunities for students to engage with quality staff.

All staff have experience working with students. The expanded after school program and summer program will be lead by the person running our current program.

8—Clear Vision, Mission, and Purpose

Describe the program's clear vision, mission, and purpose.

The school's mission is to accelerate student achievement toward a successful future. The program will focus on skill building as well as include enriching activities that promote creative thought, teamwork and leadership--all components of successful future.

9—Collaborative Partnerships

Describe the program's collaborative partnerships. Local educational agencies are encouraged to collaborate with non-LEA entities to administer and implement ELO-P programs.

The school will collaborate with outside agencies as needed to provide enrichment activities to students.

10—Continuous Quality Improvement

Describe the program's Continuous Quality Improvement plan.

The school will survey parents and students annually to attain feedback on the after school and summer program. The administration and staff will review the feedback to improve the after school and summer programs. The goals of the program will be aligned with the school's LCAP goals.

11—Program Management

Describe the plan for program management.

The program will be managed by the Co-Executive Director, Selah Sawyer, and the Principal, Melinda Decker. The daily planning and activities will be carried out by the staff.

General Questions

Existing After School Education and Safety (ASES) and 21st Community Learning Centers (21st CCLC) Elementary and Middle School grantees.

ASES, 21st CCLC Elementary/Middle School, and the ELO-P should be considered a single, comprehensive program. In coordinating all these funding streams to move towards a single program, the expectation is that the most stringent requirements will be adopted for program guidance. If one or both grants are held, please describe how the ELO-P funding will be used to create one comprehensive and universal Expanded Learning Program.

The school does not participate in either grant.

Transitional Kindergarten and Kindergarten

Programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1. (EC Section 46120[b][2][D]). Please address the proposed schedule and plan for recruiting and preparing staff to work in the program, including supporting them to understand how to work with younger children. How will the lower pupil-to-staff ratio be maintained? How will the curriculum and program be developmentally-informed to address this younger age group?

The school does not have transitional kindergarten or kindergarten. The school begins at grade four.

Sample Program Schedule

Please submit a sample program schedule that describes how the ELO-P or other fund sources, including the California State Preschool Program for children enrolled in transitional kindergarten or kindergarten, will be combined with the instructional day to create a minimum of nine hours per day of programming (instructional day plus ELO-P or other supports). Also, submit a sample schedule for a minimum nine-hour summer or intersession day.

School Day Programming:

8:00-8:30 Before school program

8:30-3:45 Regular school day

3:45-5:00 After school program

Summer Program:

8:00-8:30 Before school program

8:30-12:30 Academic program with teacher

12:30-5:00 Afternoon program with teacher and support staff.

Below are additional legal requirements for the ELO-P. Please ensure your Program Plan meets all of these legal requirements:

EC Section 46120(b)(2):

[LEAs] operating expanded learning opportunities programs may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple school sites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on the following;

(2) [LEAs] operating expanded learning opportunity programs pursuant to this section may operate a before school component of a program, an after school component of a program, or both the before and after school components of a program, on one or multiple schoolsites, and shall comply with subdivisions (c), (d), and (g) of Section 8482.3, including the development of a program plan based on all of the following:

(A) The department's guidance.

(B) Section 8482.6.

(C) Paragraphs (1) to (9), inclusive, and paragraph (12) of subdivision (c) of Section 8483.3.

(D) Section 8483.4, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 46120(b)(1)(A):

On schooldays, as described in Section 46100 and Sections 46110 to 46119, inclusive, and days on which school is taught for the purpose of meeting the 175-instructional-day offering as described in Section 11960 of Title 5 of the California Code of Regulations, in-person before or after school expanded learning opportunities that, when added to daily instructional minutes, are no less than nine hours of combined instructional time and expanded learning opportunities per instructional day.

EC Section 46120(b)(1)(B):

For at least 30 nonschooldays, during intersessional periods, no less than nine hours of in-person expanded learning opportunities per day.

EC Section 46120(b)(3):

[LEAs] shall prioritize services provided pursuant to this section at schoolsites in the lowest income communities, as determined by prior year percentages of pupils eligible for free and reduced-price meals, while maximizing the number of schools and neighborhoods with expanded learning opportunities programs across their attendance area.

EC Section 46120(b)(4):

[LEAs] may serve all pupils, including elementary, middle, and secondary school pupils, in expanded learning opportunity programs provided pursuant to this section.

EC Section 46120(b)(6):

[LEAs] are encouraged to collaborate with community-based organizations and childcare providers, especially those participating in state or federally subsidized childcare programs, to maximize the number of expanded learning opportunities programs offered across their attendance areas.

EC Section 46120(c):

A [LEA] shall be subject to the audit conducted pursuant to Section 41020 to determine compliance with subdivision (b).

EC Section 8482.3(d):

[LEAs] shall agree that snacks made available through a program shall conform to the nutrition standards in Article 2.5 (commencing with Section 49430) of Chapter 9 of Part 27 of Division 4 of Title 2.

[LEAs] shall agree that meals made available through a program shall conform to the nutrition standards of the United States Department of Agriculture's at-risk afterschool meal component of the Child and Adult Care Food Program (42 United States Code [U.S.C.] Section 1766).

EC Section 8482.6:

Every pupil attending a school operating a program . . . is eligible to participate in the program, subject to program capacity. A program established . . . may charge family fees. Programs that charge family fees shall waive the cost of these fees for pupils who are eligible for free or reduced-price meals, for a child that is a homeless youth, as defined by the federal McKinney-Vento Homeless Assistance Act (42 U.S.C. Section 11434a), or for a child who the program knows is in foster care. A program that charges family fees shall schedule fees on a sliding scale that considers family income and ability to pay.

EC sections 8483.4 and 46120(b)(2)(D):

The administrator of every program established pursuant to this article shall establish minimum qualifications for each staff position that, at a minimum, ensure that all staff members who directly supervise pupils meet the minimum qualifications for an instructional aide, pursuant to the policies of the school district. Selection of the program site supervisors shall be subject to the approval of the school site principal. The administrator shall also ensure that the program maintains a pupil-to-staff member ratio of no more than 20 to 1. All program staff and volunteers shall be subject to the health screening and fingerprint clearance requirements in current law and district policy for school personnel and volunteers in the school district, except that programs serving transitional kindergarten or kindergarten pupils shall maintain a pupil-to-staff member ratio of no more than 10 to 1.

EC Section 8482.3(c)(1)(A–B):

Each component of a program established pursuant to this article shall consist of the following two elements:

(A) An educational and literacy element in which tutoring or homework assistance is provided in one or more of the following areas: language arts, mathematics, history and social science, computer training, or science.

(B) An educational enrichment element that may include, but need not be limited to, fine arts, career technical education, recreation, physical fitness, and prevention activities.
